

**AMERICAN SOCIETY  
of  
PLUMBING ENGINEERS**

Virginia Blue Ridge Chapter

**PLUMBING SYSTEMS DESIGN I**  
**Wednesday April 4, 11, 18 & 25, 2007**

**COURSE LOCATION:**

Roanoke Higher Education Center - Room RU408  
108 North Jefferson Street, Suite 208 D  
Roanoke, Virginia 24016

**COURSE SCHEDULE:**

Check-in:	7:30 am to 8:00 am
Sessions begin	8:00 am
Adjourn	12:00 noon

The Virginia Blue Ridge Chapter of ASPE is offering the first of two, Plumbing Systems Design classes to those interested in expanding their knowledge of Plumbing Design. This is a great opportunity for all plumbing designers to grow in knowledge and understanding of the tenets of plumbing engineering. The 4 session course will provide a thorough review of the current 2003 International Plumbing Code, as well as technical problems commonly encountered in plumbing design. Instructors are members of the Chapter and are Certified in Plumbing Design or Licensed Professional Engineers. The course fee includes a copy of the 2003 International Plumbing Code Commentary and Continental Breakfast with assorted beverages.

Seating is limited to 30 participants so we strongly recommend you register without delay!!

**Registration Fee (by 3/16/07)**

**\$249.00**

For registration, send payment and registration information to Granville Grant c/o Spectrum Design, Plaza Suite 1, 10 Church Avenue, SE, Roanoke Virginia 24011-2104. Other questions? Contact Mark Thayer (540) 857-3299 [mthayer@hsmm.com](mailto:mthayer@hsmm.com) for assistance.

***Please make checks payable to ASPE VIRGINIA BLUE RIDGE CHAPTER. Registration and payment must be received by date indicated.***
